Terms and Conditions

Yova AG ('Inyova' is a brand of Yova AG) is currently running a promotion with neon Switzerland AG ('neon'), where neon customers can benefit from an exclusive offer on Inyova.

1. What is the promotion

If you invest with Inyova following the steps described below, **you will receive CHF 120 as a welcome gift**, which means you will receive CHF 10 on your Inyova account every month for 12 months.

2. How to benefit from the promotion

- 1) When creating your account with Inyova and before investing you need to enter the code **neon21** in your Inyova Dashboard under "Promotions".
- 2) You need to fund your Inyova investment from your neon account.
- 3) Only new Inyova customers can benefit from this promotion, if you are already a Inyova customer you will not be able to benefit from this promotion nor be able to enter the code.

To benefit from the neon promotion you need to invest with Inyova, this means you will receive the welcome gift as soon as you are invested with Inyova (the minimum amount to be able to invest with Inyova is CHF 2000). If you open a savings plan, you will benefit from the promotion as soon as you have reached CHF 2000 on your Inyova account — not before.

The welcome gift of CHF 120 will be split across the 12 months meaning you will receive each month CHF 10 on your Inyova account. The CHF 10 are transferred to your account the following month: for instance, the CHF 10 of the month of August will be transferred to your account in September.

3. Data privacy

By entering this promotion, you agree that Yova AG can share your full name, your email address as well as the fact that you have invested money with Yova AG with neon.

4. General

This promotion is a voluntary offer by Yova AG based on goodwill. We don't enter a legal agreement by offering customers participation in the neon promotion.

Legal recourse through the courts is excluded for any disputes about this promotion.
