Terms and Conditions

Inyova AG ('Inyova') is currently running a promotion with neon Switzerland AG ('neon'), where neon customers can benefit from an exclusive offer on Inyova.

1. What is the promotion

If you (a neon customer who is not yet an Inyova customer) open an Inyova Invest account **between the 01.01.2021 at 00.00 am and the 31.12.2023 at 11.59 pm** by using the special neon code and following the steps described below, you will receive CHF 120 as a welcome gift, which means you will receive CHF 10 on your Inyova account paid out monthly for the next 12 months.

2. How to benefit from the promotion

- 1) You need to go to inyova.ch/en/neon and create an Inyova strategy.
- 2) When creating your account with Inyova and before investing you need to enter the code **neon21** in your Inyova Dashboard under "Promotions".
- 3) You need to fund your Inyova investment from your neon account.
- 4) You need to open an account before 31.12.2023 at 11.59 pm which means you need to be an Inyova invested customer and have transferred at least CHF 2000 to your account by that date.
- 5) This promotion only applies to new Inyova customers. New customers can only be persons of full age who are not yet registered users of Inyova and who have their domicile or permanent residence in Switzerland. This promotion only applies to new customers who would like to open a 3b account (not a 3a).
- 6) This promotion cannot be combined with any other promotion or promotion code.
- 7) Each new Inyova customer may only participate once in the promotion, the full name on the proof of identity and not the email address will be used to determine this.

To benefit from the neon promotion you need to invest with Inyova, this means you will receive the welcome gift as soon as you are invested with Inyova (the minimum amount to be able to invest with Inyova is CHF 2000). If you open a savings plan, you will benefit from the promotion as soon as you have reached CHF 2000 on your Inyova account — not before.

The welcome gift of CHF 120 will be split across the 12 months meaning you will receive each month CHF 10 on your Inyova account. The CHF 10 are transferred to your account the

following month: for instance, the CHF 10 of the month of August will be transferred to your account in September.
